butterfleye™

Quick Start Guide

Please make sure you're in range of a wireless Internet connection. For optimal performance place near a wireless modem/router.

STEP 1

Visit Apple App Store & download Butterfleye app.

STEP 2

Turn on Bluetooth and Wi-Fi capabilities then launch Butterfleye app.

STEP 3

Create or log in to an existing Butterfleye account — all you'll need is an email address.

STEP 4

Press & hold the button located on top side of Butterfleye until it starts blinking.

STEP 5

Touch & hold your phone against Butterfleye camera until you hear the pair chime. Once paired, connect your camera to your Wi-Fi.

Your Butterfleye is now online and monitoring!
